Ceiling decoration crafted from soup tins cut into rings and slotted together. This particular peice has been made to see if the techniques used would work, and so a large scale version called the Heinz 157 is currently under production - coming soon!

Materials & Equipment List

Tinned food cans - I mainly use Heinz. Thread or string
Dremel tool with cutting blade or band saw.

Making Instructions

... attach the spheres to one of the tin cut offs you have to allow a light fitting to pass through - creating a
